EVENTS

career.ufl.edu/events/

At the University of Florida's Career Connections Center, we know that major does not always equal career. We launched our Career Pathways model which infuses Career Clusters to allow you to explore different career paths. The goal of our Career Pathways model is to link your learning opportunities to the knowledge and skills you need for future education and employment.

VISIT THE PATHWAY COMMUNITY PAGE

- Industry-related news and advice
- Job and internship opportunities
- Employment simulations
- Alumni connections
- Clubs and organizations
- and more!
