

Minutes, Deans and Chairs Meeting February 26, 2024, via Zoom

Hub Brown called the meeting to order at 2:03 p.m.

Exploring New Analytics Platforms: Request for Faculty Wish Lists and Needs

Nate Carpenter discussed the information gathering he and Huan Chen are conducting to determine which new resources and research would be most useful for courses and for CJC faculty.

Insight about ACEJMC site visit

Brown discussed the upcoming ACEJMC reaccreditation visit. He also discussed assessment and how colleges use that data.

Open Discussion

- Brown discussed CJC's strategic funding and shared that information is forthcoming regarding funded projects.
- Coche discussed the first Orange and Blue film festival, deadlines, and promoted the festival's Instagram account and website: <https://www.jou.ufl.edu/UF24/orange-and-blue-film-festival/>
- Bennett mentioned the new CJC website branding and process of moving to the new design.
- Burman asked about Generative AI and how it may impact instruction. Brown mentioned setting up a meeting to discuss.

Laurent to Everyone 2:20 PM

open topic - perhaps for a follow-up/smaller group discussion but ongoing conversation about pace and impact of Generative AI and large language models is accelerating. Particularly on the impact having/will have on media, advertising, production and employment. curious if/how this impacts instruction/accreditation?

Attendees:
