

**Minutes, Deans and Chairs Meeting
March 21, 2022, via Zoom**

Hub Brown called the meeting to order at 2:01 p.m.

Mini Retreat

- Brown discussed a mini-retreat for leadership, this summer. The College would do a social event rather than a retreat for faculty/staff. Retreat would review the year, see what went well and areas we could do more and be better leaders. A “great to greater” agenda. He solicited feedback.

Faculty Mentoring

- Kiouisis said that UF will put together a mentoring academy for our coordinators.

Maintenance Issues

- Brown thanked Randy Wright for his work dealing with the building issues.
- Brown is working multiple paths to have Weimer’s building issues addressed.

Open Discussion

- Reynolds gave an update on the finance director search.
- Kelleher will chair the search for the next Public Relations department chair.

Brown thanked the Deans and Chairs and closed the meeting.
