

Curriculum and Teaching committee

Feb. 10, 2025, 10:30 a.m.

Attending: Bradbery, Chen, Coche, Foley, Hove, Hunter, Hutchens, Selepak, Sorel, Spiker, Sun, Zawahry

Chen requested small change to ADV degree plan (re portfolio requirement that hasn't been in place for years). Falls under "no vote" C&T guidelines for minor changes to submit to UCC.

Spiker asked committee to brainstorm ideas for off-curriculum immersion ideas for groups less exposed to experiential learning (first-time experience, last-chance resume builder, online students).

Coche presented degree plan changes and course proposals for MPMT.

Changes included:

>>Sunsetting of Management and Strategy track and renaming Media and Society track to form a new track called Media Management and Technology

>>New degree plan for Digital Film and Television Production track

>>Proposals for seven new course numbers

Committee approved all changes.

Meeting adjourned.

Respectfully submitted,
Ted Spiker
